

Care & Rehabilitation Expo China 2007

Website: <http://www.crexpo.com.cn>

Opportunity to exhibit your products & catalogs in the Washington State Booth

Washington State invites you to exhibit at Care & Rehabilitation Expo China 2007 at no booth cost. This is the first exposition held on a national level for disabled and senior citizens and an ideal venue to showcase high quality products and services from Washington State.

Care & Rehabilitation Expo China Overview:

DATE: May 4-7, 2007

VENUE: China International Exhibition Center (Beijing)

SIZE: 22,000 sqm/150,000 visitors

EXHIBITION CATEGORIES:

- Mobility aids (wheelchairs, walkers, floor lifts, vehicles)
- Bed/bath/toilet products
- Communication equipment
(hearing aid, emergency alarm, computer systems for disabled)
- Equipment for homes (slopes, handrails, elevators, ramps)
- Rehabilitation equipment (walking, training equipment)
- Artificial limbs and orthopedic products
- Casualty prevention products for elderly and disabled
- Equipment for institutions (floor and wall material, air cleaners)
- Management information systems
- Care prevention products (training equipment, oral care)

Washington State Support:

For interested companies, Washington State China Offices (Beijing, Shanghai and Guangzhou) can arrange matchmakings meetings with potential partners and industry leaders, create a Chinese language poster and promotional material for each company, compile a Washington State Directory and provide assistance during the show.
